Electronic Statement Disclosure

This agreement authorizes Blackhawk Bank to deliver your bank statement for your account to you by electronic delivery. An electronic bank statement is called an "eStatement". Upon agreeing to this disclosure and successful testing of the electronic delivery method, you will then receive periodic electronic notifications that your statement is available to you.

In order for your eStatement to be delivered, the electronic delivery system will need to be tested and validated before electronic delivery can be initiated. Once you sign up for eStatement you will receive an email that you MUST to respond to. When you validate your account with the email notification, the setup will be complete.

*I agree to the terms and conditions.

6. Click 'Submit'.

7. An 'Information Message' will appear indicating your successful request for eStatements. The NetTeller system will now send you an email that requires you to open it and click on the link provided to confirm your eStatement enrollment.

That's it! You are now signed up for eStatements. A monthly email alert will be sent to inform you that your eStatement is available.
