There is no monthly maintenance fee if you maintain a minimum daily balance of \$15,000.00. A monthly maintenance fee of \$25.00 will be imposed every statement cycle if the balance in the account falls below \$15,000 any day of the cycle. Interest is compounded and credited to your account every month. We use the daily balance computation method to calculate the interest on your account. This method applies a daily periodic rate to the principal in the account each day. At any time you may make automatic transfers from your Checking Account to your Reward Money Market Account.

**Transaction Limitations - Federal law requires that an Account Holder make no more than six (6) transfers or withdrawals during any statement cycle from a Savings or Money Market Account. The kinds of withdrawals covered are those made by means of preauthorized transfers and withdrawals made by check, draft, debit card, or similar order payable to third parties. Transfers in excess of these limitations will be subject to a \$5.00 Excess Withdrawal Fee each. Violations of this limit on more than an occasional basis will result in the account being transferred to another transaction-type account. We reserve the right to at any time require not less than 7 days notice in writing before each withdrawal from an interest bearing savings account other than a time deposit, or from any other savings account as defined by Regulation D. Check printing fee depends on the style selected; fees may reduce earnings.
