ELECTRONIC CHECK CONVERSION - TYPES OF TRANSFERS

Indicated below are types of Electronic Funds Transfers we are capable of handling, some of which may not apply to your account. You may authorize a third party to initiate Electronic Funds Transfers between your account and the third party's account. These transfers to make or receive a payment may be

a one-time occurrence or may recur as directed by you. These transfers may use the Automated Clearing House (ACH) or other payment networks. Your authorization to the third party to make these transfers can occur in a number of ways. In all cases, these third party transfers will require you to provide the third party with your account number and bank information. This information can be found on your checks as well as your deposit or withdrawal slips. You should only provide your bank information (whether over the phone, the Internet, or via some other method) to trusted third parties who you have authorized to initiate these Electronic Funds Transfers. Examples of these transfers include, but are not limited to:

- You can purchase goods or pay for services and authorize a merchant or service provider to convert your check into an Electronic Funds Transfer.
- At the time you offer a check to a merchant or service provider, you may be asked to authorize the merchant or service provider to electronically collect a charge in the event the check is returned for insufficient funds. Paying such a fee electronically is an Electronic Funds Transfer
- You may make arrangements to pay certain recurring bills from your checking or savings account(s).
- You may make arrangements for certain direct deposits to be accepted into your checking or savings account(s).

ELECTRONIC CHECK CONVERSION - ADDITIONAL NOTIFICATION

- When you provide a check as payment, you authorize us either to use information from your check to make a one-time Electronic Funds Transfer from your account or to process the payment as a check transaction.
- You authorize us to collect an NSF Returned Items Charge of \$35.00 if your payment is returned unpaid.
- You authorize us to collect an NSF Paid Items Charge of \$35.00 if we decide to pay the item and it overdraws your account.
- When we use information from your check to make an Electronic Funds Transfer, funds may be withdrawn from your account as soon as the same day you make your payment, and you will not receive your check back from the financial institution.

GENERAL LIMITATIONS

In addition to those limitations on transfers elsewhere described, if any, the following limitations apply:

Transaction Limitations - Federal Law requires that an Account Holder make no more than six (6) transfers or withdrawals during any statement cycle from a Savings or Money Market Account. The kind of withdrawals covered are those made by means of preauthorized transfers and withdrawals made by check, draft, debit card, or similar order payable to third parties. Each transfer in excess of these limitations will be subject to an Excess Withdrawal Fee. Violation of this limit on more than an occasional basis may result in the account being closed.

property or services obtained by its unauthorized use prior to the time you gave us notice. In addition, if your statement shows transfers that you did not make including those made by card, code or other means tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get back any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us in time. If a good reason (such as a long trip or a hospital stay) kept you from telling us, we will extend the time-periods.

Additional Limits on Liability for your MasterCard Debit Card.

You will not be liable for any unauthorized transactions using your MasterCard Debit Card if you can demonstrate that you have exercised reasonable care in safeguarding your card from the risk of loss or theft and, upon becoming aware, promptly reported the loss or theft to us (i.e. within 2 business days after learning of the loss or theft of your debit card). MASTERCARD AUTOMATIC BILLING UPDATER SERVICE

Effective October 1, 2017, Blackhawk Bank will be participating in the MasterCard Automatic Billing Updater service. MasterCard Automatic Billing Updater helps to insure that the automated payments you set up with merchants will continue without interruption when there are changes to your Blackhawk Bank debit card, such as expiration date changes, or when your card is replaced because it was lost or stolen. Merchants enrolled for this service will automatically receive updates regarding your debit card information so they can modify their records. Maintaining the accuracy of your debit card information prevents disruptions and potential late fees due to account changes. To accomplish this, Blackhawk Bank will submit an electronic file to MasterCard within two business days of changes to your debit card information. MasterCard takes this data, compares it to debit card data files they receive from enrolled merchants and when there is a match, will forward your debit card information to those merchants so they can update their billing systems. To opt out of the MasterCard Automatic Billing Updater service, contact Blackhawk Bank's Client Services Department, during normal business hours, at 866-771-8924, or in writing to Blackhawk Bank, Attn: Deposit Operations, 400 Broad St, Beloit WI 53511.

ENFORCEMENT

In the event either party brings a legal action to enforce this Agreement or collect amounts owing as a result of any Account transaction, the prevailing party shall be entitled to reasonable attorney's fees and costs, including fees on any appeal, subject to any limits under applicable law.

TERMINATION OF ATM CARD SERVICES, DEBIT CARD SERVICES, BANK BY PHONE SERVICES, AND ONLINE AND MOBILE BANKING SERVICES

You agree that we may terminate this Agreement and your use of the ATM Card, Debit Card, Bank by Phone, and Online and Mobile Banking services if:

- You or any authorized user of your ATM Card PIN, Debit Card PIN, Bank by Phone PIN, Online and Mobile Banking ID and Password breach this or any other agreement with us;
- We have reason to believe that there has been an unauthorized use of your ATM Card, Debit Card, Bank by Phone, or Online and Mobile Banking;
- We notify you or any other party to your account that we have cancelled or will cancel this Agreement.

You or any other party to your account can terminate this Agreement by notifying us in writing.

Termination of service will be effective the first business day following receipt of your written notice. Termination of this Agreement will not affect the rights and responsibilities of the parties under this Agreement for transactions initiated before termination.

OTHER PROVISIONS

There may be a delay between the time a deposit is made and when it will be available for withdrawal. We reserve the right to refuse any transaction which would draw upon insufficient funds, exceed a credit limit, lower an account below a required

balance, or otherwise require us to increase our required reserve on the account.

ERROR RESOLUTION NOTICE - Consumer Accounts Only

In case of errors or questions about your Electronic Funds Transfers, call or write us at the telephone number or address listed in this disclosure as soon as you can if you think your statement or receipt is wrong, or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

- Tell us your name and account number
- Describe the error or the transfer you are unsure about, and explain as clearly as you can why you believe it is an error or why you need more information
- Tell us the dollar amount of the suspected error

If you tell us orally, we may require that you send us your complaint or question in writing within 10 business days.

We will tell you the results of our investigation within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days (90 days if the transfer involved a point-of-sale transaction, foreign-initiated transfer, or a new account) to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days (20 business days if the transfer involved a new account) for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

If we decide that there was no error, we will send you a written explanation within 3 business days after we finish our investigation. You may ask for copies of the documents that we used in our investigation.

NOTICE OF ATM/NIGHT DEPOSIT FACILITY USER PRECAUTIONS

As with all financial transactions, please exercise discretion when using an automated teller machine (ATM) or night deposit facility. For your own safety, be careful. The following suggestions may be helpful.

- Prepare your transactions at home (for instance, by filling out a deposit slip) to minimize your time at the ATM or night deposit facility.
- Mark each transaction in your account record, but not while at the ATM or night deposit facility. Always save your ATM receipts. Don't leave them at the ATM or night deposit facility because they may contain important account information.
- Compare your records with the account statements you receive.
- Don't lend your ATM/Debit card to anyone.
- Remember: do not leave your card at the ATM. Do not leave any documents at a night deposit facility.
- Protect the secrecy of your Personal Identification Number (PIN). Protect your ATM/Debit card as though it were cash. Don't tell anyone your PIN. Don't give anyone information

Electronic Funds Transfer Agreement and Disclosures cont.

regarding your ATM/Debit card or PIN over the telephone. Don't write your PIN where it can be discovered. For example, don't keep a note of your PIN in your wallet or purse.

- Prevent others from seeing you enter your PIN by using your body to shield their view.
- If you lose your ATM/Debit card or if it is stolen, promptly notify us.
- When you make a transaction, be aware of your surroundings. Look out for suspicious activity near the ATM or night deposit facility, particularly if it is after sunset. At night, be sure that the facility (including the parking area and walkways) is well lighted. Consider having someone accompany you when you use the facility, especially after sunset. If you observe any problem, go to another ATM or night deposit facility.
- Don't accept assistance from anyone you don't know when using an ATM or night deposit facility.
- If you notice anything suspicious, or if any other problem

arises after you have begun an ATM transaction, you may want to cancel the transaction, pocket your card and leave. You might consider using another ATM or coming back later.

- Don't display your cash; pocket it as soon as the ATM transaction is completed and count the cash later when you are in the safety of your own car, home, or other secure surrounding.
- At a drive-up facility, make sure all the doors are locked and all of the windows are rolled up, except the driver's window. Keep the engine running and remain alert to your surroundings.
- We want the ATM and night deposit facility to be safe and convenient to you. Therefore, please tell us if you know of any problem with a facility. For instance, let us know if a light is not working or there is any damage to a facility. Please report any suspicious activity or crimes to both the operator of the facility and local law enforcement officials immediately.
