

Fingertip Remote Electronic Deposit

Meet **FRED!**

*Blackhawk Bank's remote 'Teller'
is coming to work for you.*

FRED is an on-site business solution that includes electronic payment processing, online reporting and risk management services. FRED scans Money Orders, Consumer Checks, Cashier's Checks and Commercial Checks with a secure, accountable electronic processing system. He's powerful, simple, economical, and willing to work long hours.

No need to purchase, install or maintain software - your new 'Teller' is available from your trusted business resource - Blackhawk Bank.

FRED will improve your bottom line:

- Speed, savings, convenience and security
- Eliminates the need to take checks to the bank
- Improves efficiency and profitability
- Provides instant check images
- Reoccurring ACH payments
- Telephone and Web Checks
- FRED can process Credit Cards
- Generate reports
- FRED does all this and more

*To get FRED
working for you,
call today!*

Each month your business is billed for transactions and a low-cost monthly access fee.
